**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are the Sonic internet customer we like to let the company stay completely with other big companies like at&t, have better price for coustomer.so let the public have more choices to select what the need,so it can create more fair markets to all competitors. It is appropriate you can go this direction to let the public consumers feel comfortable & get more relaxed.
